

CSI: The Experience can you solve the crimes?

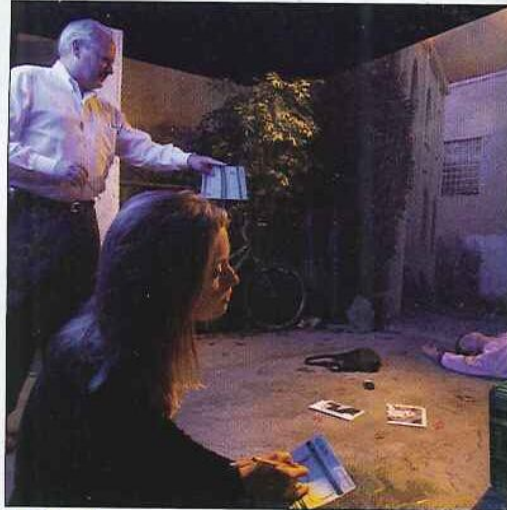

MGM Grand

CSI: The Experience at the MGM Grand has recently celebrated its first anniversary on the Las Vegas Strip. The immensely popular show, CSI: Crime Scene Investigation, has given guests to Las Vegas the chance to become part of the action. It's a place where fans can test their inner crime-solver! Guests can even play the role of a crime scene investigator in the exciting interactive challenge, featuring three different murders, 15 lab stations, 15 suspects, and three killers.

Based on the hit TV show, CSI: Crime Scene Investigation, and guided by videos featuring (original) cast members, alongside real-life forensic scientists, you'll be the latest recruit to the world of forensic science. Examine bullet casings, match DNA to potential suspects, identify the source of a single strand of hair as you complete the investigation process. If you can find the killer, you'll receive your official CSI: Diploma!

Complete with two state-of-the-art forensic crime labs and dazzling special effects, this new hands-on experience plunges you deep into the heart of the action. Finally, you can fulfill your dreams of experiencing what it takes to be a CSI agent.

CSI: The Experience asks that children under 12 be accompanied by an adult. Tours run every 10 minutes beginning at 10 a.m. throughout 10 p.m. The last entry is at 9 p.m. Tour experience duration averages 45 - 60 minutes. Guests must arrive on time for their scheduled tour or they will have to wait for the next available tour. Ticket are priced at \$30, inclusive of tax.
